

Hunter Interclub Triathlon Series

What a fabulous series this was. I'm proud to say that Newcastle Triathlon Club was the winner of the Series!! We had excellent representation at all the HITS races. Members from Newcastle Tri Club dominated, taking home the majority of the trophies. Well done to everyone that raced and thank you for supporting the series. If you are interested in assisting with HITS next year, please contact Warwick Semit, HITS President.

*Our Newcastle Tri Club
President, Warwick Semit
receives the HITS Club Trophy
from Greg Mullaly, Maitland Tri
Club - Last years Club winner.*

December Club Race

Our December race is traditionally our Christmas Race. So put some tinsel on your bike or maybe even don a Santa suit and come race for the fun of it!! Plenty of people have registered to race but no-one to Marshall!! To run the event, we need people to Marshall. So if you are coming and can help out, please register yourself online as a Marshall, thank you. To assist us with organising the event, please register online prior. For registration and more information on our club races, please go to our website.

Aquathon Series

The new Sprint Aquathon Series was a great success. People from both a running and swimming background came to try out the swim/run combination and seemed to really enjoy this new challenge of adding a second leg. It is wonderful to see people finish the race smiling and then ask when the next one is... Yes, there will be more Aquathons this season - Details to be announced.

NSW Club Championships

This season, all the triathlon clubs in NSW will head to the beautiful country surrounds of Gosling Creek Reservoir in Orange on Saturday the 18th of March, 2017 to participate in a triathlon consisting of a 1km swim, a 30km bike ride and an 8km run. The Early Bird sign up for the 2017 Triathlon NSW Club Championships ends 19th December.
